Dear Parents & Guardians,

Thank you to everyone who took the time to complete the parent reopening survey. Your answers and comments are extremely valuable as we finalize our reopening plans for September 2020. Our priority will always be the health and safety of our students and staff.

Along with reviewing and following the guidance from the New Jersey Department of Education and our local health department, the feedback from all stakeholders will also inform our reopening plans. To provide as many stakeholders as possible with a voice in this process, we have created a dedicated email for parents and staff to share their concerns with our reopening committees.

[LPSreopen2020@lindenps.org](mailto:LPSreopen2020@lindenps.org) is a dedicated line of communication in which Linden's parents, guardians, and staff members can ask questions and/or share their concerns regarding the reopening of Linden schools in September. This email account will be monitored and you can expect a response within 24 hours.

I thank you in advance for your ongoing support and we will continue to put the health and safety of the entire school community first.

Carpe diem,

Dr. Marnie Hazelton  
Superintendent of Schools
