

Parents Technology Workshops offered in Spanish, Haitian Creole and Polish

The Linden Public Schools district is offering a series of workshops to help the parents of bilingual/ESL students learn to use the technology of remote learning.

These workshops will be offered in Spanish, Haitian Creole and Polish, according to the schedule below. Announcements in these languages are available in the attached files.

These workshops will be held online, and parents may join these workshops by following the links provided below.

Please click on the link to enter the workshop at the designated date and time.

For the parents of Elementary students (K-5):

Spanish language workshop: Monday, September 14, 2020 / 7:00-8:00 PM
