

Welcome to ThinkCentral

Dear Parent:

The Linden Public Schools District is providing its students with access to reading and math online material available at Houghton Mifflin Harcourt's ThinkCentral Web site. ThinkCentral is a home-school connection that provides access to student editions, activities, readers, games, and assessments.

Follow these simple steps to access online materials and assignments:

1. Go to www.thinkcentral.com (Select either Reading & Language Arts or Mathematics)

Click on either icon

2. Select your state, district, and school.
3. To make it easier to log in later, check **Remember My Organization**.
4. Enter your user name (student id number*) and password (gomath).
****Can be found on your child's report card or through teacher
5. Click **Login**.

Once logged in, the student Welcome Page will appear. This page allows you access to three areas:

- **Things To Do**
- **My Library**
- **My Test Scores**

Things To Do: Access assignments provided by the teacher. **My Library:** gives you access to the online version of the text, as well as any other materials the teacher has made available. **My Test Scores:** is designed to give you access to scores for Journeys and Go Math assessments that your child takes on-line. We hope you take advantage of this resource to strengthen your child's skills.
