Dear Linden Board of Education Prescription Plan Participant:

Welcome to the Horizon BCBSNJ Pharmacy Program!

Starting July 1, 2015, your pharmacy benefit coverage will begin with Horizon Blue Cross Blue Shield of New Jersey. We work with our contracted pharmacy benefits manager, Prime Therapeutics, to manage your pharmacy coverage and help you get the medicine you need to feel better and live well.

ID Card:

You will receive a new Horizon BCBSNJ ID Card shortly. This new ID card will include the required pharmacy information, including the Pharmacy Member Services phone number 1-800-370-5088, information to help the pharmacy process a claim and the Prime Therapeutics logo. Please be sure to let your pharmacy know you have a new ID card.

If you don't receive your ID card by July 1 and need to obtain a prescription, please present this letter to your pharmacy, along with your ID. Below is the required information that they will need to process a prescription order for you and/or any dependents on the plan.

- Card Member's Horizon ID Number or Social Security Number
- Patient's Name
- Patient's Date of Birth
- RXBin: 016499
- RXPcn: HZRX
- RXGroup: 086479-024

Also, the pharmacist can call the Prime Therapeutics Pharmacy Help Desk at 1-877-686-6875. The Help Desk can assist the pharmacist with processing the claim.

Mail Order through PrimeMail:

You can use home delivery through PrimeMail to have your maintenance (long term) medicines delivered to your doorstep. Call Pharmacy Member Services starting July 1 and they will help you get started. And, they will even contact your doctor to get new mail order prescriptions for you.

Medicine Information:
