Mrs. Welsh questioned item #9 under Management Operations, the transfer of Rosalia Kolibas, Vice Principal at McManus, to Supervisor of Elementary Math. She was wondering if anyone would replace her. Dr. Robertozzi responded that if the Board approves his recommendation tonight, he would be making a recommendation at the July Board Meeting to replace her.

SUPERINTENDENT'S REPORT:

1. See Information to the Board.
2. Earlier this evening we dedicated the Susan L. Hudak Auditorium at Linden High School. Back in March of 2017 the Board voted to name the auditorium in honor of Susan L. Hudak for her service to our district and community. Tonight we formally dedicated the auditorium to her. It was nice to see all of her family here along with so many dignitaries. It was a tribute to Sue because she touched so many lives and did so much for this community. Dr. Robertozzi said he's proud that the Board recognized this and her name will forever be enshrined on this auditorium. He asked for a round of applause in her honor.
3. Congratulations to the 434 seniors who graduated Linden High School last Friday, June 23, 2017. 82% will continue their education in either a two or four year college or university, 3% plan on pursuing careers in the military, 8% plan on entering some other form of post-secondary training, and 7% will join the workforce. Our seniors have been accepted by more than 50 colleges and universities, technical schools and business schools in this country and worldwide. Congratulations and best of luck to all.

NJSBA Delegate:

Mr. Topoleski: In May there was a lunch with legislators in Trenton at the War Memorial. There was a panel of four Assemblymen who were asked questions and the keynote speaker was Senator Sweeney. There was also a second panel dealing with funding. Today he saw a report that was released about an agreement between the Senate, Assembly and the Governor which will be voted on tomorrow, June 29th, which is slightly different from the initial funding bill received. The \$100,000,000 was not changed; however, there is a reduction from other districts and re-appropriation of \$31,000,000 to what are considered under-funded districts, which we are considered one. Dr. Robertozzi mentioned that if this does happen, it could mean an additional \$2,000,000 in state aid for our district.

UCSBA Delegate:

Mr. Topoleski: There was a meeting on the second Saturday in June of all county presidents and county officers at the New Jersey School Boards in Trenton. It was a brainstorming session to develop ideas for our county meetings coming up. Later in July he will be meeting with county vice presidents and Union County's Executive Board of Directors and Gwen Thorpe who is the County Coordinator and Patty Rees who is the North Jersey County Coordinator to set up the agendas and dates of the upcoming meetings. If any board member has any ideas as to what they would like to see presented in terms of school board training, please let him know.

UCESC Delegate:

Mrs. Villani: Attended end-of-year reorganization meeting where Mr. Kolibas was officially put in as our representative. The next meeting is scheduled for July 7th.

EST for Parents:

Mrs. Birch: Reported on the last meeting of the year which was held on June 7, 2017. Parental attendance was as follows: One from School #1; one from School #2; two from School #5; two from School #6; three from School #9; four from McManus; and one from the high school making a total of 14. A presentation about the summer reading program was given. Issues presented were school lunches, extermination issues, housekeeping issues, and teachers not updating Genesis. There was also some positive feedback.

EST for Students:

Mrs. Birch: Reported on the last meeting of the year which was held on June 13, 2017. There were three freshman, five sophomores, three juniors and three seniors in attendance. There were still some housekeeping issues discussed. There was also much positive feedback.

EST for Middle School Students:

Mr. Topoleski: No report.

EST for Special Education:

There was no meeting this past June; however, he complimented Dr. Stefanick and her staff for the programs that were presented since he's been on the Board.

UNFINISHED BUSINESS

Mr. Topoleski took this opportunity to thank Ms. Gaylord and Mr. Miranda for the wonderful job that they did in fulfilling the wishes of how Mrs. Hudak's name appears outside the auditorium.

BOARD MEMBER COMMENTS NEW BUSINESS:

None.

COMMENTS FROM PUBLIC:

Lakhia Carter
35 E. Elizabeth Avenue

Ms. Carter spoke as a parent as she indicated that her daughter really enjoyed the EST meetings and felt that the Board really took the time to listen to the students' concerns.

Kawania Brinson
621 E. Curtis Street

Mrs. Brinson voiced her concerns over the fact that her daughter, an eighth grade honor student at Soehl, was not allowed to graduate due to excessive absences. Ms. Brinson stated that she was not made aware of this decision until the Friday before graduation. Dr. Robertozzi responded that he is fully aware of the situation and requested that Ms. Brinson address her concerns to him in writing and he would make a decision. If she does not agree with his decision, then she could bring the issue before the board in private session.

There being no further business, Mr. Topoleski made a motion to adjourn at 7:48 p.m., seconded by Mrs. Villani. Voice vote was unanimous.
