

Week of Respect: October 4th- October 8th

Throughout the month of October, School 1 will be placing an emphasis on LEADERSHIP. Students are going to learn about different leaders who have made an impact at a very young age and the power of their own voice. We believe each child has the potential for greatness and are looking to forward to supporting our students in continuing to develop their own leadership skills.

Our celebration of leadership begins with the **Week of Respect**. Throughout this week, students are going to have the opportunity to participate in a number of activities in their classrooms to encourage positive social skills and relationship development. There will be a focus on antibullying and collaborative solutions as a community as we dive into different read alouds, discussions, and activities.
