Emergency Contact Information

In order to notify parents and guardians regarding emergency situations or important announcements, the district will utilize the Blackboard Connect email and phone system. Blackboard Connect will allow the district to record a message and send it to all home, cellular, and work telephone numbers and email addresses we have on file. The system is an important tool to allow the district to communicate thoroughly and completely when necessary. *Please make sure that the schools have the most up-to-date information on file so that you can be reached as soon as possible.*

Emergency School Closings & Delayed Openings

School closings and delayed openings caused by severe weather conditions are announced on radio stations WINS-1010 AM, 101.5 FM, Local Cable Channel 36 and Fios 42, and TV Stations WNBC-4, WNYW-5, WABC-7 and NJN-12.

When it is determined that schools will have delayed openings for an emergency or due to inclement weather, all schedules, including all bus pick-ups, will be delayed two (2) hours. Dismissals will remain the same as on a normal school day. The Superintendent of Schools may decide to close for the day if the weather conditions deteriorate after a delayed opening has been announced.
