**Gwendolyn L. Long**  
Vice Principal

Dear Parents and Guardians,

Joseph E. Soehl Middle School has implemented a school-wide positive behavior program called **Live School**. Students and parents can use the Live School app from the phone, tablet or computer to view behavior feedback from all teachers and staff members. With the Live School app, our staff can instantly award students points for the great things that they do each and every day at Soehl. The Live School app helps to create a positive learning environment. At the end of each month, students can view their Live School bank account statements and withdraw their points for a variety of privileges and incentives. Our Live School Team will coordinate monthly raffles for a variety of school spirit items, electronics and game baskets.

Each Soehl will receive a Live School form in their homeroom class with both a student and parent access code and directions in order to be invited to sign up for the Live School account.

*You can access Live School from [parent.liveschoolinc.com](http://parent.liveschoolinc.com)*

Let's work together in order to track, reward and improve behaviors this school year.

Sincerely,

Isabella Scocozza  
Principal
