## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

The information below is from the United States Department of Education and serves as notification in regards to parental rights and privacy with student educational records.

### **Notification of Rights under FERPA for Elementary and Secondary Schools**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

(1) The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.

Parents or eligible students should submit to the School Principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School Principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. [Note: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the *School District* to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202-5920

## **STUDENT POLICIES, RULES AND PROCEDURES**

The Linden School District has established the following student rules and regulations for the safety and protection of students and to ensure a thorough and efficient education. These rules and regulations are set forth to inform parents and students of the expected behavior of students attending all Linden Public Schools.

### **ATTENDANCE REGULATIONS - POLICY 5113**

Absences for any reason (with the exception of school sponsored activities administratively approved and excused absences) that exceed any of the following limits shall result in no credit for that particular class.

The total of **\*excused plus unexcused** should not exceed:

- Eighteen (18) days in a full-year course.
- Nine (9) days in a half-year course.

\*excused days still count toward the total days absent; excused = appropriate documentation/explanation

More than five (5) unexcused absences from a class in a marking period shall result in no credit for that marking period.

A student shall be recorded as absent in the school register when not in attendance unless the absence is due to a religious holiday and then it shall be recorded as excused. An excused absence for any reason, other than due to religious holiday approved by the state shall not be counted as a day of attendance in the school register

Parents should call the morning of a student absence. When a pupil returns to school he/she will bring a note containing the name of the student, all dates of absence and an acceptable explanation for not attending school. The note is to be given to the appropriate office staff, nurse or vice principal within 5 days of student absence.

An absence shall be considered an “**excused absence**” for the purpose of determining promotion, retention, truancy, grades, course credit, eligibility to make up missed assignments and tests for full credit, and violations of the school code of conduct for attendance, for the following reasons:

1. The student’s illness.
2. Requirements of a student’s individual health care plan.
3. A death or critical illness in the student’s immediate family, or others with permission of principal.
4. Quarantine.
5. Observance of the student’s religion on a day approved for that purpose by the State Board of Education.

6. The student's suspension from school.
7. Requirements of the student's Individualized Educational Plan (IEP).
8. Alternate short- or long-term accommodations for students with disabilities.
9. The student's required attendance in court.
10. Interviews with an admissions officer of an educational institution.
11. Necessary and unavoidable medical or dental appointments that cannot be scheduled at a time other than the school day.
12. Such good cause as may be acceptable to the principal.

An “**unexcused absence**” is a student's absence for all or part of a school day for any reason other than those listed above. Examples of such are:

1. Family travel.
2. Performance of household or babysitting duties.
3. Other daytime activities unrelated to the school program.
4. Leaving school without permission when school is still in session.
5. Leaving class because of illness and not reporting to the school nurse as directed.
6. Being present in school but absent from class without approval. Such absence from class is a “cut.”

The district assures that each receiving school is required to report to the sending district each student with five or more cumulative unexcused absences (N.J.A.C. 6A:16-7.6(c)i).

The district assures that for each student with five or more cumulative unexcused absences reported by the receiving school, it follows the policies and procedures pursuant to (N.J.A.C. 6A:16-7.6(a) above and the provisions of N.J.A.C. 6A:16-7.6(a)4ii through iv and (b).

Students who accumulate ten consecutive unexcused absences, will be removed from the school's roster. Parents will be required to re-register the student at the districts central registration office in order for the student to return to school.

Any student that has been diagnosed as being **chronically ill** must submit documentation from a certified physician. This information will be reviewed by the principal, vice principal, guidance counselor, school nurse and school physician to determine if an attendance waiver is appropriate.

A doctor's note shall be required for pupil's re-entering school from a serious illness or injury. This will be required of any student returning from home instruction.

Consideration will be given by the Attendance Appeals Committee for exemptions to the attendance policy in case of extreme or unusual circumstance. The appeals committee will consist of the principal, vice principal, school nurse, and the student's guidance counselor. The committee shall review all pertinent data and interview the student and parent/guardian before rendering a decision. A decision shall be rendered within three (3) school days of the meeting. **THE DECISION OF THE COMMITTEE WILL BE FINAL.** The vice principal shall be the chairperson of the Attendance Appeals Committee.

### **Perfect Attendance**

Students may be recognized for having perfect attendance during their three years at the middle school. In order to be eligible for a perfect attendance award, student must have no:

1. Absences (except for field trips or death of immediate family members)
2. Unexcused tardiness

### **Early Dismissal**

Any parent/guardian, who needs to pick up a child early, must notify the office in writing/email prior to dismissal. If it is an emergency, the parent/guardian must call the office and notify the school.

A parent/guardian or designated person (whose name is listed on the student's emergency card) must come into the main office to sign a student out. ID will be required and must match emergency information on record in the school's database.

### **Leaving School Due to Illness**

Students are required to see the school nurse when medical attention is needed. The nurse will contact the parent/guardian to inform them of any medical concerns. The school nurse is the only person who can send a student home ill.

### **Tardiness**

A student is tardy if he/she reports to homeroom after 7:45am. Late for homeroom is considered late to school, you must report to the Main Lobby and sign in with the on-duty teacher. You will receive a *Tardy Slip* which the student will give to their homeroom teacher. Consequences are assigned according to the discipline policy.

### **Late to Class**

A student is late to class if he or she reports after the designated time. Consequences are assigned according to the discipline policy.

**\* For any reasons above: A student who has missed more than half of a class because of tardiness is considered absent from that class. More than five (5) unexcused absences from a class in a marking period shall result in no credit for that marking period.**

## **BULLETINS AND ANNOUNCEMENTS**

Bulletin boards have been placed in strategic spots in the corridors to inform students of special activities, scholarships and work opportunities, etc. In addition, bulletins of information are announced regularly during homeroom. Listening to each announcement is of utmost importance to students. Announcements or posters pertaining to personal matters and non-school activities cannot be posted on any school bulletin boards or on any school walls. All posters, bulletins and announcements posted within the school or on

school property must relate to approved school events and must be cleared through the administration.

## **CLOSING SCHOOLS & DELAYED OPENINGS**

### **Emergency Contact Information**

In order to notify parents and guardians regarding emergency situations or important announcements, the district will utilize the Blackboard Connect email and phone system. Blackboard Connect will allow the district to record a message and send it to all home, cellular and work telephone numbers and email addresses we have on file. The system is an important tool to allow the district to communicate thoroughly and completely when necessary. *Please make sure that the schools have the most up-to-date information on file so that you can be reached as soon as possible.*

School closings and delayed openings caused by severe weather conditions are announced on radio stations: WINS- 1010 AM, 101.5 FM, Local Cable Channel 36 and Fios 42, and TV Stations WNBC-4, WNYW-5, WABC-7 and NJN-12

When it is determined that schools will have delayed openings for an emergency or due to inclement weather, all schedules, including all bus pick-ups, will be delayed two (2) hours. Dismissals will remain the same as on a normal school day. The Superintendent of Schools may decide to close for the day if the weather conditions deteriorate after a delayed opening has been announced.

### **DISMISSAL**

School is dismissed regularly at **2:40 p.m.** for Grades 6, 7, and 8. Students are dismissed directly from their last period class. Students, who are not attending after school activities or detention, must leave school grounds by 2:45 p.m. This violation may be considered loitering and can be subject to consequences.

### **FINES**

A student must pay all fines assessed against him/her by the designated time. These may include such items as textbook/iPad loss or damage fines, library fines, lock fines, loss or damage to other school property, non-return of sports uniforms, fund-raising monies, etc.

### **HOMEROOM PERIOD**

The homeroom period is a 10-minute period, in which attendance is taken. Each morning the public-address system is used for opening exercises which include the pledge to the flag, announcements, notice of special guidance activities/upcoming activities, athletic events, etc.

The Pledge of Allegiance is recited each school day during homeroom. Students who have conscientious scruples against such pledge or salute, or are children of accredited representatives of foreign governments extended diplomatic immunity, shall not be required to render such salute and pledge but shall be required to show full respect while the pledge is being given. (NJSA 18A:36-3)

### **HOMEWORK**

It is general practice at the middle school level that each subject teacher will assign homework. Students are responsible for completing each day's assignment on time. Teachers are not expected to give full credit for assignments completed after the due date.

### **HONOR LISTS**

Grades in all subjects are used in determining student eligibility for the honor lists. A student may qualify for one of three honor lists:

- |                        |   |                   |
|------------------------|---|-------------------|
| Principal's Honor List | - | All A's           |
| High Honor List        | - | All A's and one B |
| Honor List             | - | All A's and B's   |

Numerical equivalents of letter grades are as follows:

A	-	90-100	F	-	40-59
B	-	80-89	I	-	Incomplete
C	-	70-79	M	-	Medical Excuse
D	-	60-69			

### **LOCKERS**

#### **ONLY SCHOOL-ISSUED LOCKS MAY BE USED ON ALL LOCKERS**

Lockers are the property of the Linden Board of Education. School administrators have the right to inspect the contents of student lockers at any time. Therefore, while student lockers allow privacy from other students, the locker is accessible to the administrators who have master keys and combinations. LOCK COMBINATIONS SHOULD NOT BE REVEALED TO ANYONE.

A locker is assigned to each student for his/her personal use during the school year. Each locker is the personal responsibility of the student to whom it has been assigned. A fine will be assessed at the end of the school year for damage beyond ordinary use.

#### **Locker Searches**

Lockers will be subject to periodic inspection, for any reason and at any time, to ensure the health and safety of the school and to determine their condition. Reasonable suspicion that a student has broken school rules or a law will result in a search of the student's locker.

Use of lockers for the storage of contraband, drugs, alcohol, weapons and/or any other illegal paraphernalia will result in immediate suspension from the school and will be reported to the police.

PLEASE DO NOT STORE VALUABLE ITEMS OR MONEY IN LOCKERS AND DO NOT SHARE LOCKERS WITH OTHER STUDENTS.

### **LOST AND FOUND**

Lost and Found is located in designated areas within the school. All found items should be taken there.

Anyone wishing to claim an item may do so from 7:45am to 2:40pm. Books will remain in lost and found for a period of two weeks, after which they will be returned to the appropriate department.

### **LUNCH**

Four lunch periods are used to accommodate all students in the cafeteria. No food of any kind can be taken from the cafeteria. No food of any kind shall be eaten in the halls or classrooms of the school at any time. Students are responsible for keeping their tables clean and throwing away all garbage. All cans and bottles must be placed in recycling containers.

#### **Free and Reduced Lunch Program**

The Free and Reduced Lunch Program runs from **October 1, 2020, to September 30, 2020**. Only those students who received Free or Reduced Lunch benefits after October 1, 2019, will get Free or Reduced Lunch during the month of September 2019.

A **new** Free and Reduced lunch application for the 2020-2021 school year must be submitted during the month of September to determine if students are eligible for benefits that begin on October 1, 2020. An eligibility notification letter informing students of their status (**Free, Reduced or Denied**) will be mailed prior to October 1, 2020. Please submit only one application per household.

If you receive a **Direct Certification letter** before the start of the school year you do not have to submit an application for the students listed on the letter. They automatically receive benefits.

Free and Reduced lunch applications received after October 1, 2020, can take up to ten (10) days to process. Benefits will not begin until an eligibility notification letter is received. You are responsible for payment of lunches during this period.

#### **Cafeteria Billing**

Students who do not have money for lunch will be served a lunch but are expected to make payment the next day. Students will not be allowed to purchase a snack if they owe money

for breakfast or lunch. Repeated abuse of this procedure will result in a parental notification of the money that is owed to the cafeteria. Failure to provide lunch or lunch money for your student could be construed as neglect and could result in a Division of Child Protection and Permanency (DCP&P) notification.

**MAKE UP WORK**

The Linden Board of Education believes that the material covered in each class session is an integral part of the course. Therefore, each student is required to complete make-up assignments for all absences, whatever their cause.

1. Time allowed to make up work should not exceed the amount of time absent, i.e., work missed during a five-day period of absence should be made up after the first five days immediately after the student returns to school. Arrangements to make up work must be initiated by the student or their parent/guardian.
2. Students are required to make up any work missed because of actions initiated by the authorities of the school, i.e., suspension, exclusion, etc.
3. Students are required and responsible to secure their assignments during suspensions from their teachers.

**MARKING PERIODS & REPORT CARDS**

There are four marking periods per school year. Each marking period grade received equal weight in computing the final average for the course. Students’ grades shall be determined on the basis of tests, classroom participation, quizzes, homework and special teacher assignments. Students receiving an incomplete grade must make up the missed work within a period of time designated by the teacher, or the incomplete grade becomes a failure.

**2020-2021 Marking Period Dates**

<b>Marking Period</b>	<b>Beginning Date</b>	<b>Interim End Date</b>	<b>End Date</b>
<b>First</b>	September 3, 2020	October 16, 2020	November 13, 2020

<b>Third</b>	February 1, 2021	March 4, 2021	April 9, 2021
<b>Fourth</b>	April 12, 2021	May 12, 2021	*June 23,2021

\*Date may be moved up if inclement weather days not used.

## **PARENT CONFERENCES**

Parents are cordially invited to visit the school and to consult with the principal, vice principal, guidance counselors and teachers. All conference appointments are made through the guidance department. All visitors **MUST** wear a mask during their visit.

## **PARKING**

School parking spaces will be reserved for our faculty members. Parents and visitors can park on the street near the school. Please be advised of the alternate-side-of-the-street parking regulations.

## **PASSES**

A student may not leave a classroom, cafeteria or homeroom without an official school pass.

## **PLAGIARISM**

Plagiarism results when a person uses another person's ideas or words and falsely presents them as their own. Students found guilty of plagiarism will be subject to the consequences of the discipline policy.

## **RANDOM SEARCHES**

The Board of Education has authorized school officials to carry out a random search plan to detect illegal weapons in the schools. If selected, students and belongings in their possession will be searched using hand-held metal detecting wands. Selection of students will be on a completely random basis with the selection method masked from the students to prevent students from being able to predict or accurately speculate when they may or may not be selected for a search. These random searches are instituted to act as a deterrent against students introducing weapons into the schools. Hand-held wands are also authorized for use in doing reasonable suspicion and probable cause searches.

## **SAFETY AND SECURITY DRILLS**

Safety and security drills are held for the purpose of practicing orderly exits, evacuations and lockdowns in the case of any emergency. Students must follow directions of teachers in charge and remain quiet at all times during drills. A directive will dictate an "all clear" signal, at which time students and staff will resume a regular school day. The laws of the state mandate that all students must follow the prescribed procedures of the drill under the directives of the administration.

## **SCHEDULE CHANGES**

1. Parental consent is required for any schedule changes.
2. No schedule changes will be made after the first two (2) weeks of the school year. Principal approval is required for any schedule changes after the first two weeks of school. Only conflicts or extenuating circumstances will be considered for review.

## **SCHOOL ENTRY PROTOCOL**

All visitors to our schools will need to have an appointment (advanced notice) to enter the building.

All

No visitors will be granted building access (unless they have a scheduled appointment) between the following times: 7:30am-8:00am and 2:25pm-2:55pm.

Any parent/guardian, who needs to pick up a child early, must notify the office in writing/email prior to dismissal. If it is an emergency, the parent/guardian must call the office and notify the school.

If a visitor must drop off an item for a student (lunch, homework, etc.), they will be directed to deposit that item in a bin outside the main entry. All items must be clearly labeled with the student's name, grade, or teacher and will be retrieved by office staff. Entry into the school building is not permitted.

It is imperative visitors do not hold the door open for others behind them. Each visitor must be acknowledged individually through the intercom system.

Through the intercom, all visitors must state the purpose of their visit and/or specify with whom they have an appointment prior to entering the building.

If the appointment is verified, the visitor will be buzzed in and must report directly to the main office or designated sign-in area immediately.

All visitors will be required to show photo identification when signing into the building and will be required to wear a visitor's pass.

Front office secretaries will call 911 and notify school administrators if the visitor is uncooperative, does not adhere to the procedures, or becomes threatening.

Failure to follow these procedures may result in a lockdown for the safety of our students and staff, and the Linden Police Department will be notified that an intruder is in the building.

## **SCHOOL-SPONSORED ACTIVITIES AND ATHLETIC EVENTS**

1. Students are responsible for their actions at all school-sponsored activities. Any breach of discipline will carry the same corrective measures as though school were in session.
2. To attend or participate in any extracurricular activity, students must be in school on the day of that activity if school is in session.
3. Once a student leaves the activity, he/she may not return.
4. There is to be no smoking, or use of drugs or alcohol at any time in any part of the building.
5. Students should be suitably dressed for all dances and concerts.
6. All students are expected to conduct themselves as ladies and gentlemen at all times.

## **STUDENT IDENTIFICATION CARDS**

Students must wear a school-issued ID on a lanyard around their neck at all times. IDs must be visible and be required for admittance to all school and school related activities. IDs must be worn over clothing and cannot be concealed or defaced in any way. Student must show their ID to any staff member upon request. IDs are required for media center admittance, nurse visitation, and bus transportation; additionally, purchase of a breakfast and/or lunch will require scan of student ID.

A student who does not have an ID may obtain a second ID (loaner ID) from his/her homeroom teacher or vice principal. An ID that is lost must be replaced at the expense of the student at a cost of \$5.00. A student must wear their ID around his/her neck with a lanyard. A student who does not comply will receive a consequence based on the code of conduct.

## **TEXTBOOKS/iPad**

Each student is responsible for the care and protection of textbooks/iPad and will be required to reimburse the school for damage beyond normal wear or loss.

## **STUDENT DRESS**

The Board of Education, supported by court rulings, upholds its right to impose student dress codes that prohibit immodest or suggestive clothing, dress that would create a disturbance or distraction, and clothing that is unsanitary or creates a health hazard. Students are prohibited from wearing dress that contains obscenities, or leaves the student scantily clad. Clothing that conveys messages that are obscene, vulgar or refer to alcohol or illegal substances are prohibited. Clothing that contains messages of hate and violence is also prohibited. This restriction on student speech will be imposed only where there is a well-founded expectation of disruption to the educational process or on the legitimate rights of other students or staff.

In accordance with N.J.S.A. 18A:11-9, the Board of Education prohibits students from wearing, while on school property, any type of clothing, apparel or accessory which indicates that the student has membership in, or affiliation with, any gang associated with criminal activities.

As supported in N.J.S.A. 18A:11-7 and N.J.S.A. 18A:11-8, the Board of Education confirms its desire to authorize uniform school dress for students. The Linden Board of Education supports this policy for the following reasons:

1. To instill discipline and create a positive educational atmosphere.
2. To help with issues of peer pressure.
3. To increase classroom concentration.
4. To promote a sense of identity and improve security.
5. To increase school spirit and school unity.
6. To help families with economic issues regarding costs.
7. To enhance community image.
8. To assist students in preparing for the work world.

The Linden Board of Education will not adopt policies regarding uniform student dress in order to regulate appearance or to establish a sense of good taste. Uniform student dress policies will not interfere with a student's right to religious expression or other rights of expression.

The Board of Education is open to receive recommendations from schools to adopt a school-level dress code policy that includes uniform modes of student dress. Such recommendations will be made by the principal and forwarded to the Board of Education for approval through the Superintendent. These recommendations must provide evidence that a majority of teachers and parents in the school are supportive of the proposed code and that provisions are made for economically disadvantaged students. The Board will hold a public hearing on any such proposal and shall not implement the new policy with less than three months' notice to the parents and guardians of the students.

Students **may not** wear:

1. Short shorts, shorts or skirts with unfinished hems, hats, sports headbands, sunglasses, ski goggles or bandanas.
2. Midriff, tube tops, strapless tops/dresses, halter-tops, tank-tops, camisoles, see-through articles, or articles that expose cleavage or stomach.
3. Garments that reveal under garments or buttocks; pajama pants, ripped jeans, pants or sweatpants with graphics or writing across the back, or any pants with holes.
4. Clothing and/or accessories that have any associations with illegal substances, violence, or gangs.
5. Clothing that is offensive to any nationality, ethnicity, religion, sexual orientation or gender identity.
6. Clothing that has any obscene writing or promotes suggestive, indecent, or unacceptable school behavior whether stated or implied.

Students requesting exemptions for religious or other reasons must do so in writing. If an exemption is granted, they will not be penalized academically or otherwise discriminated against for non-compliance.

The board authorizes the Superintendent to enforce school regulations prohibiting student dress and grooming practices which:

1. Present a hazard to the health or safety of the student or to others in school.
2. Materially interfere with school work, create disorder, or disrupt the educational program.
3. Cause excessive wear or damage to school property.
4. Prevent the student from achieving his or her own educational objectives because of blocked vision or restricted movement.

## **UNATTENDED CLASSROOMS**

If a student arrives at a classroom that is locked or unattended by a teacher, he/she should report to the nearest Administrative office and report the situation.

## **SERVICES**

### **ACADEMIC ASSISTANCE**

If help is needed in any subject, the student should take responsibility for making an appointment to meet with the teacher. Teachers are often available before or after school to provide assistance to students who require their help. Although teachers may not be available every day due to other professional activities, they are available on certain days and, therefore, prior appointments should be made.

### **CHILD STUDY TEAM SERVICES**

Students experiencing educational, emotional or adjustment problems may be referred to Special Services. This team is composed of the School Psychologist, Social Worker and the Learning Disabilities Teacher-Consultant. It may also include the school nurse and the speech teacher and other specialists who might be needed. Evaluation by the Child Study Team may result in providing the student with a special education program of instruction.

### **COUNSELING DEPARTMENT**

The Linden Board of Education provides counseling facilities and services to assist students and their parents in educational, vocational and personal decision making. The counseling staff consists of two Guidance Counselors and two School Social Workers. Their responsibilities are as follows:

#### **Guidance Counselor**

The Guidance Counselor assists students to understand themselves and their world. The goal of this process is to improve the everyday functioning of young people through developing an increasing awareness of who one is and who one can become. Counselors also help individuals to eliminate self-defeating behaviors, develop a truer sense of reality and achieve more comfortable personal and social relationships.

The Guidance Counselor is responsible for Appraisal Services (maintaining pupil records and district testing), Informational Services (orientation programs, career education) and Consultation Services (parent/teacher conferences, child study team conferences, public relations).

### **School Social Worker**

The School Social Worker guides students through a prevention oriented approach to dealing with problems. This aspect of counseling services includes consideration of interests, past performance, present potential and future opportunities. The program encompasses both personal and crisis counseling.

Some of the issues that may be addressed between the student(s) and the Social Worker may include as follows:

1. Abuse and neglect
2. Bereavement
3. Chronic absenteeism
4. Disruptive classroom behavior
5. Divorce
6. Peer relations
7. Poor academic performance

Interventions may consist of some of the following:

1. Activities for development of self-respect/self-discipline
2. Anger management
3. Behavior modification
4. Conflict resolution
5. Crisis management
6. Increase problem-solving techniques as a means of improving social adjustment

Students can be referred to the Counseling Department by their teachers, school nurse, administration, parents/guardians or through self-referral.

### **HEALTH OFFICE**

School health services are provided to foster the personal development, health and growth of students and to detect and help correct any health conditions that prevent optimum learning and development. One full-time school nurse will perform physical examinations, vision and hearing tests and tuberculosis and scoliosis screening. The nurse is available to counsel and assist students with health problems.

The board of education requires evidence of immunization for measles, rubella, polio, mumps, diphtheria and tetanus. Boosters for diphtheria and tetanus are required every 10 years.

The cooperation of students is needed in reporting to the health office when requested for health examinations.

The school nurse helps children maintain physical and emotional well-being and tries to effect healthful changes in the student's lifestyle. The following is a guideline to help you

understand the duties of the school nurse and the responsibilities of the parents or guardians.

### **Health Office Regulations**

1. In addition to a student ID, a health office pass issued by the classroom teacher is necessary for admittance to the health office. In an emergency, a student will be escorted to the nurse by a crisis intervention staff member.
2. Doctor's notes must be presented to the school nurse upon the student's return to school.
3. Students requesting an excuse from school for a medical or dental appointment are referred to the main office.

### **Health Assessment**

A medical file of each child is kept in the nurse's office. This file contains immunizations, heights and weights, vision, hearing, physical exam results and any medical information needed to properly care for each child such as allergies, asthma or medical conditions. This file follows your child through high school. Please inform the nurse of any illnesses, hospitalizations, shots or medications occurring during a student's time in the Linden School District so records remain up to date and accurate.

### **Immunizations**

If a student needs to update immunizations, a parent or guardian will be notified through the mail over the summer. Shots should be given over the summer and records given to the nurse in September. Students will not be able to attend school if their shots are not up to date.

In accordance with Chapter 14 of the N.J. State Department of Health, N.J.A.C. 8:57-4 N.J.S.A. 26:1A7, it is **mandatory** that students in all schools in the State of New Jersey comply with immunization requirements.

Children born after January 1, 1997, and enrolled in Grade 6 or transferring into a New Jersey school from another state or country will be required to receive a booster dose of Tdap (tetanus, diphtheria, acellular, pertussis) vaccine as well as one dose of meningococcal vaccine.

If a parent has documentation indicating these immunizations have been given, it should be submitted to the school nurse immediately.

Failure to comply will require a student to be prohibited from attending school.

### **Medications**

Medication must be in a labeled container from the pharmacy. The medication must be brought to the school nurse, not sent with a student. \*Before any medication may be administered to or by any pupil during school hours, the board shall require the written request of the parent/guardian, which shall give permission for such administration and

relieve the board and its employees of liability for administration of medication. In addition, the board requires the written order of the prescribing physician which shall include:

1. The purpose of the medication.
2. The dosage.
3. The time at which or the special circumstances under which medication shall be administered.
4. The length of time for which medication is prescribed.
5. The possible side effects of the medication.

\*Both documents shall be kept on file in the office of the school nurse.

### **Illness or Injury**

The nurse is available full time for any child who becomes ill or is injured at school. Please do not send your child to school ill.

Injuries other than those received on school property or during school activities should not be referred to the school nurse for treatment. The school nurse will give first aid for sudden illness and accidental injury, but they are not authorized to give subsequent treatment.

### **Ringworm:**

A student with suspected case of ringworm will be sent home to begin treatment. A physician should be consulted. They may return to school with a doctor's note or evidence of appropriate treatment. While in school the area must be covered. Exclusion may occur if the infection is spreading or is not under medical care. A student with ringworm of the scalp must wear a clean cap during school hours and have a doctor's note to return to school. Students in the class will be sent home with a letter notifying the parent/guardian of possible exposure and information about ringworm.

### **Lice**

When a case of lice is found, all children in the classroom will be checked as well as any siblings in the district. If the student rides a bus, those students on the bus will also be checked. The child found to have lice will be sent home for appropriate treatment and may return to school after all eggs have been removed and clearance from the school nurse. Parent/guardian of the children in the class will be notified by a letter that head lice were found and guidelines for controlling an outbreak.

### **Bed Bugs**

The suspected bed bug should be placed in a plastic bag if possible, for positive identification. The student along with belongings will be sent to the school nurse to be checked further. If nothing is found the student may return to class. The parent will be called and a letter will be sent home for parent signature in order for the student to return

to school. Maintenance to be notified and the exterminator will be called. If bed bugs are found in the classroom a letter will be sent home notifying the parent/guardian.

### **Health Insurance**

Students who are not covered by health insurance are eligible for either free or low-cost coverage through the NJ FamilyCare Program. When filling out your Emergency Cards for the school year be sure to answer the question regarding health insurance.

### **HOME INSTRUCTION**

The Linden Board of Education, in compliance with state law, provides home instruction when necessary. When a parent requests for home instruction, a letter from the attending physician must contain (1) a specific request that home instruction be provided; (2) the nature of the disability; (3) approximate length of student absence. It is the responsibility of the parent/guardian to request home instruction if the expected duration of the absence will exceed two weeks. All requests for home instruction will go through the Superintendent's Office.

Students returning from home instruction will not be permitted back to school without a doctor's note.

### **MEDIA CENTER**

The Library and Media Center will be open during regular school hours. Students may use the media center by securing a pass from their teacher and will only be able to enter with their student ID.

### **WORKING PAPERS**

All students who have reached the age of 14, but are not yet 18 years of age must obtain working papers if they wish to work after school hours or during vacations. Inquire at the Middle School Counseling Office to obtain an application. Upon completion, the application is to be submitted to the Main Office at Linden High School, at which time a temporary certificate will be issued. Do not apply for papers unless you have a specific job promised to you. You will need to bring your Social Security card and birth certificate to apply for working papers. They are issued only for a specific job and are not transferable from job to job without state approval.

## STUDENT CONDUCT

2. Use of electronic devices is permitted prior to the official start of the school day and after dismissal. Use at any other time will result in the device being confiscated by an administrator. Devices will only be returned to a parent or guardian. This also includes wearing headphones/earbuds.
3. The school is **not** responsible for the loss or theft of any such items.
4. Cellphone use is strictly prohibited in **all areas** during a crisis situation.

## DISCIPLINE CODE

### PHILOSOPHY

Discipline is the process of learning to adapt one's behavior to the requirements of society. No group of people can share anything or work together without rules and regulations. There are five reasons for insisting on a well-mannered student body. They are:

1. To create an atmosphere in which learning, study and work can best proceed.
2. To assure that school equipment and property is maintained in optimal condition.
3. To make students aware that in our society, the individual must take the responsibility for his/her actions.
4. To develop self-discipline.
5. To provide students and staff with a safe and productive educational environment.

It is our purpose to help students experience academic growth and achievement and assist students in obtaining their educational goals. The maintaining of appropriate behaviors and discipline is the shared responsibility of students, parents, teachers, and administrators. In general, good discipline cultivates inner growth, understanding and self-discipline.

### **GENERAL POLICIES**

1. The policies, regulations and penalties included in this code are intended to provide students, parents/guardians, and staff with the information that is necessary for recognizing and dealing with the problems of discipline herein stated.
2. Disciplinary procedures must be uniform for all students, clearly stated to avoid dual standards, and must be available to all parties concerned, namely students, parents/guardians, and staff.
3. It is the right of any staff member operating within the boundary of their duty to question the health, safety and conduct of any student. In cases in which students believe that “unjust treatment” has been imposed on them, they will have recourse through the office of the next highest administrator to appeal the matter.
4. An initial attempt at talking problems out should be made through parent/guardian involvement with guidance counselors and/or administrators. A record of such procedures should be kept by the guidance counselor. Students with problems should avail themselves of the services provided by their guidance counselor. The counselors, where necessary, should avail themselves of the services of the Intervention and Referral Services (I&RS) Committee.
5. Students who display chronic behavioral or academic problems may be referred to the building’s I&RS team for intervention and recommendations. Parents/guardians shall be informed of this referral by the I&RS committee making such a referral.
6. When the principal determines that there is a student whose presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process he/she should not hesitate to take appropriate action.
7. The Board of Education recognizes that suspension from the educational program of the school is one of the most severe sanctions that can be imposed on a student and that it should not be imposed without adequate safeguards to insure a child’s elemental right to an education. All rights of “due process” are to be afforded by the administration.
8. With incidents involving disciplinary action, the parents/guardians may be notified to meet with school personnel to review and discuss the disciplinary procedures.
9. Students who received Out-of-School Suspension (OSS) are forbidden on any board of education property without administrative permission and may be charged with trespassing. These students may not participate in any school activities without the approval of the superintendent.
10. In the case of Out-of-School Suspension, retention in school will be provided for the balance of a school day only if a parent/guardian cannot be contacted.
11. A student may be detained in school for the purpose of correction or detention.
12. At the completion of the suspension, a parent/guardian/student conference with the administrator may be required. This conference shall serve as a means of

- counseling the student against repetitions of negative behavior and clarifying the administration's position toward future actions.
13. Students who are expelled shall not be allowed to go on any board property or attend any school activities until their class has graduated from high school.
  14. Classified students are subject to this discipline code except where the infraction is a result of the student's disability.

## **DUE PROCESS**

### **Student grievance procedure**

The U.S. Supreme Court has established student rights prior to suspending a student for 10 days or less.

1. The student must be given oral or written notice of the charges against him/her.
2. If the student denies the charges, an explanation of the evidence against the pupil must be furnished.
3. The student is guaranteed an opportunity to present his/her side of the story in a hearing. The required hearing is not elaborately defined. It can be limited to a discussion in which the student has an opportunity to express his/her side of the story.
  - a. In the court's ruling, the hearing is described as "...at least an informal give-and-take between student and disciplinarian, preferably prior to suspension."
  - b. The hearing and other due process clauses can be temporarily disregarded by the school in cases where a student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process.

Procedures to be followed:

1. Violations referred to the principal for disciplinary action must be accompanied by a written statement, as soon as possible, but no later than the beginning of the next school day, from the teacher or other employees involved.
2. The student shall be given an opportunity for an informal hearing to explain his/her version of the facts after being informed of the accusation and the supporting evidence. The administrator can use his/her discretion concerning more formalized procedures, i.e., a conference between the parties involved.
3. When all available facts regarding the incident have been examined by the administrator, a decision shall be made. In the case of Out-of-School Suspension, a parent/guardian of the pupil should be notified immediately, if possible, and a written notice shall be mailed to the parents/guardians and to the superintendent the day the suspension is made. The suspension notice shall include the specific infraction or violation with a prescribed manner of resolution, i.e., parental conference, meeting with all parties concerned, the number of days assigned.

4. There need be no delay between the time of the notice or charges and the time of the informal hearing. In fact, the administrator may informally discuss the alleged misconduct with the student immediately after it has occurred. At that time, it shall be determined if a parental conference and/or an I&RS process are appropriate. A record of such conference shall be kept by the administrator.
5. Students whose presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process may be immediately removed from school. Parent/guardian contact must follow. The necessary notice of a hearing shall follow as soon as practical. The parent/guardian shall be informed of the seriousness of the problem and the need for special services intervention procedures. Immediate notification to the superintendent of schools in writing shall follow.

### **CRIMINAL COMPLAINTS AND EXPULSION PROCEDURES**

In offenses which may result in school authorities filing a complaint against a student with law enforcement authorities, a parental conference shall be required with the student being suspended up to 10 days, in accordance with due process procedures. Expulsion proceedings, as requested by the school administrator, may be initiated. Should they be initiated, the suspension shall continue until a determination is made by the board of education, but shall not extend beyond the period set forth in NJSA 18A:37-5.

Expulsion procedures require a child study team evaluation and recommendation to the Board of Education as per NJAC 6A:28-1.10(a) and 6A:28-2.8(9).

Students charged with using, selling or being under the influence of drugs, alcoholic substances and/or controlled dangerous substances while on Board of Education property shall be reported to the law enforcement authorities, the student's parents/guardians, and the chemical abuse teacher immediately. Alleged acts relating to the above observed by a board of education employee and/or detected through medical or law enforcement procedures shall be sufficient for the school administrator to request expulsion proceedings by the board of education.

Home instruction or other suitable instruction for the accused student shall be provided by the Board of Education so that there are no more than four school days without instruction until a decision is determined by the Board of Education.

### **STUDENTS' RIGHTS AND RESPONSIBILITIES**

1. Students have rights within the educational facility that encompass respect for the individual and educational rights of other students. Each student has the right to learn free from distractions and interference from others.

2. If any student receives a penalty that he/she feels is unjust or unwarranted, there is an appeals procedure which the student may follow to try to resolve the situation. The following is the sequence of individuals to whom he/she may speak:
  - a. The teacher who originally reported the infraction.
  - b. Guidance counselor or department supervisor for academic resolutions.
  - c. A vice principal for a behavioral or discipline matter.
  - d. The principal.
  - e. The Superintendent of Schools.
  - f. The Board of Education.
  - g. The Commissioner of Education.

**STUDENTS UNDER THE INFLUENCE OF CONTROLLED DANGEROUS SUBSTANCE – DRUGS, TOBACCO, ALCOHOL**

**(Summary Report of 18A:40-4.1)**

1. Whenever it appears to any faculty member that a student may be under the influence of a controlled dangerous substance taken for purposes other than the treatment of sickness or injury as prescribed or administered by a person duly authorized by law to treat sick and injured human beings, such faculty member shall report the matter as soon as possible to the school nurse, student assistance counselor, and the principal and/or designee.
2. The Principal and /or designee shall arrange for an immediate examination by a school nurse.
3. The Principal and/or designee shall immediately notify the parent or guardian to obtain permission to conduct drug screening on site.
4. The student must be examined within two hours for the purpose of diagnosing whether or not the student is under such influence. A parent may choose to have their child examined by a private physician within a two-hour period.
5. Failure to comply with appropriate examination and screening will be considered a positive result.
6. If a student tests positive for drugs or alcohol, further examination will be required by a physician. A written report of said examination, shall be furnished in a timely manner by the examining physician to school administration.
7. Students testing positive for drugs or alcohol will be subject to disciplinary consequences in accordance with the Code of Conduct.
8. The student shall not resume attendance at school until he/she submits to the principal a written report certifying that substance abuse no longer interferes with the student's physical and mental ability to perform in school.

Refer to Linden Board of Education Policy 5131.6 for the complete policy regarding Drugs, Alcohol and Tobacco.

## **OFFICE DETENTION and SATURDAY DETENTION**

7. The administrator in charge will contact parents immediately in cases of misbehavior or absence from Saturday Detention.

## **GUIDELINES FOR IN-SCHOOL SUSPENSION**

1. Attendance in homeroom is required.
2. Students will be escorted to In-School Suspension by a designated staff member.
3. The student **must** complete assigned day(s). If student is absent or sent home sick, he or she must make-up their consequence the next day present in school.
4. There will be **no** talking.
5. Students will remain in their assigned seats during in-school suspension.
6. No food, except for lunch ordered by the ISS teacher, will be allowed in in-school suspension class. Lunch brought from home will be given to the teacher in charge, in the morning and distributed during lunch period.

9. Students must bring textbooks, notebooks, computer (iPad), and other appropriate subject materials to complete their assignments.
10. Work completed by the student will be submitted to the subject area teacher by the student.

## **SCHOOL BUS RULES**

In the event that you have a question or problem concerning the transportation of your child/children to school, the first person to contact should be the principal. The transportation secretary will be notified of any problems. If your questions cannot be answered or problems resolved, the superintendent of schools may be notified.

All students being transported on vehicles provided by the school district must be considerate of the safety and well-being of fellow passengers. Misconduct on a school bus can distract the driver's attention from his/her primary responsibility, that of safely transporting students. In the event of a problem, the principal is responsible for taking disciplinary action.

For the safety of all riders, students will be required to:

1. Show respect for the driver, aide and fellow students at all times.
2. Enter and leave the bus in turn.
3. No pushing or crowding.
4. Learn emergency procedures.
5. Remain seated while bus is in motion.
6. Talk in a reasonable tone of voice. No profane or abusive language.
7. Keep the bus clean – no littering. No candy or gum allowed. The principal has the authority to exclude a student from the bus for disciplinary reasons. It then becomes the parents' responsibility to provide transportation to and from school.

### **Disciplinary Measure**

**First Offense** (Subject to the severity of the incident): The student will be reported to the school principal. A letter will be sent to the student's parents informing them of the problem as well as what procedures will be followed if a second or third offense occurs during the school year.

**Second Offense:** The student will be excluded from the bus for a period of five (5) school days. Absence from school during this period will be considered truancy.

**Third Offense:** The student will be excluded from the bus for a period of thirty (30) school days. Absence from school during this period will be considered truancy. Any further infractions will be subject to an additional thirty (30) school days and may result in permanent removal from the bus.

\*The district assures that physical restraint and seclusion techniques on students with disabilities are only used in an emergency in which the student is exhibiting behavior that places the students or others in immediate physical danger in accordance with the provisions at N.J.S.A.18A:46-13.4 et seq.

## **INTERNET POLICY**

The Linden Board of Education offers students in the Linden Public School District access to the district computer network for Internet use. It is the policy of the Linden Public Schools that all technology used to access the Internet will be used in a responsible, legal, and ethical manner by students and personnel. Technology is used as a tool to support teaching and learning. The board's intent is to make Internet access available to further educational goals and objectives of this district.

Access to the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Parents/guardians and students must be informed that inappropriate materials could be encountered during the student's research, and if such material is inadvertently accessed, it shall be disengaged from immediately. The Linden Public School District has taken precautions to restrict access to controversial materials, including the use of filtering software and vigilant teacher supervision. These precautions are a safeguard from objectionable materials; however on a global network, it is impossible to control all materials and an industrious user may discover controversial information. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed disadvantages. All students will be instructed and trained in age-appropriate use of telecommunications while using the system. Students will not download objectionable material.

### **District Internet and E-mail Rules**

1. Network users are as responsible for good behavior on school computer networks as they are in the school environment. General school rules for behavior and communications apply. Access is a privilege – not a right.
2. Access to network services is given to users who have signed the Internet Acceptable Use Agreement Form. All students under the age of 18 must obtain parental permission and must sign and return this form to the school office. Students age 18 and over may sign their own forms.
3. Responsible Internet use is demanded of all users; however, the Linden Public Schools will make every attempt for supervision and monitoring of all network users by professional staff. Additional safeguards and blocks are in place to define and restrict objectionable Internet sites.
4. All users are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to the following:
  - a. Be polite. Do not get abusive in your messages to others.
  - b. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
  - c. Network users will not reveal personal information such as addresses, phone numbers or photographs of themselves or others.
  - d. Note that electronic mail (e-mail) is not private. Individuals on the network can potentially have access to all mail. Messages relating to or in support of illegal activities will be reported to the authorities and will result in the loss of user privileges.

- e. Do not use the Internet in such a way that you would disrupt the use of the network by other users (i.e., viruses, tampering with restricted areas, vandalism, etc.).
  - f. Do not engage in activities that are prohibited under state or federal law.
  - g. Exchanging of obscene, pornographic or offensive material of any kind (verbal, visual, auditory) is prohibited.
5. Network users will adhere to the Internet rules of proper behavior in order to eliminate vandalism, harassment and plagiarism.
    - a. Vandalism is defined as any malicious attempt to harm, modify and destroy data of another user, networks, hardware, or the telecommunication provider. This includes, but is not limited to, the uploading or creating of computer viruses.
    - b. Harassment is defined as the persistent annoyance of another user, or the interference of another user's work. Harassment includes, but is not limited to, the sending of unwanted mail.
    - c. Plagiarism is defined as stealing or using without acknowledgment of another person, his/her ideas, words, formulas, textual material, on-line services, computer programs, etc., or in any way presenting the work of another person as one's own.
  6. Unauthorized viewing or use of computer files, programs, or any electronic information, is prohibited and may result in disciplinary, criminal or civil sanctions.
  7. Deliberate attempts to degrade system performance or capability, or attempts to damage systems, software, or intellectual property of others are prohibited.
  8. Computer technology and facilities are for the use of Linden students, faculty and staff. Abuse of terminals, printers, connection devices, and any supporting hardware and/or furnishings will result in academic discipline and possible criminal action.
  9. School staff may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on district servers would always be private.
  10. Copyright laws must be carefully observed.

Violations of this policy will result in the user's privileges being revoked and other disciplinary measures, including legal action. In addition, any unauthorized telecommunications access, attempted access, or unauthorized use of the network system shall be considered theft. (New Jersey Penal Code, 2C:20)

### **HARASSMENT, INTIMIDATION OR BULLYING**

The board expects all pupils to treat each other with civility and respect and not to engage in behavior that is disruptive or violent. This type of behavior interferes with a pupil's ability to learn and a school's ability to educate its pupils in a safe environment. Therefore, the school district will not tolerate acts of harassment, intimidation or bullying.

“Harassment, intimidation or bullying” is defined as any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic, that takes place on school grounds, at any school-sponsored function or on a school bus, or off school grounds, in accordance with law, that substantially disrupts or interferes with the orderly operation of the school or the rights of other students, and that:

1. A reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a student or damaging the student’s property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property.

or

2. Has the effect of insulting or demeaning any student or group of students.

or

3. Creates a hostile educational environment for the student by interfering with the student’s education or by severely or pervasively causing physical or emotional harm to the student.

“Electronic communication” means a communication that is transmitted by means of an electronic device, including, but not limited to a telephone, cellular phone, computer, or pager.

Consequences and remedial measures for a student who commits an act of harassment, intimidation or bullying shall be varied and graded according to the nature of the behavior, the developmental age of the student and the student’s history of problem behaviors and performance. Consequences shall be consistent with the board approved code of student conduct and N.J.A.C. 6A:16-7. Consequences and remedial measures shall be designed to:

1. Correct the problem behavior.
2. Prevent another occurrence of the problem.
3. Protect and provide support for the victim of the act.
4. Take corrective action for documented systemic problems related to harassment, intimidation or bullying.

Consequences and appropriate remedial actions for a student who commits an act of harassment, intimidation or bullying may range from positive behavioral interventions up to and including short- and long-term suspension or expulsion, as permitted by law. The consequences and remedial measures may include, but are not limited to:

The grading of offenses (e.g. First Offense, Second Offense, Third Offense) is listed in the Student Handbook, Code of Conduct Section. (Page 37)

Classified students are subject to the same disciplinary procedures as nondisabled students and may be disciplined in accordance with their IEP. However, before disciplining a classified student, it must be determined that:

- 1. The student's behavior is not primarily caused by his/her educational disability.
- 2. The program that is being provided meets the student's needs.

Refer to Linden Board of Education Policy 5131.1 for the complete policy regarding Harassment, Intimidation or Bullying. The entire policy is included in this handbook, beginning on page 47.

### **Intervention and Referral Services (I&RS) Team**

I&RS is a process available to assist teachers and faculty members to better meet students' needs with academic, emotional, or behavioral concerns. I&RS is a multidisciplinary team which may consist of the principal, school social worker, general education and special education teachers, support service professionals and the school nurse. The I&RS Team provides the classroom teacher with strategies to best support students who are experiencing difficulties. In accordance with N.J.A.C. 6A:16-8.1. & 8.2, the goal of the committee is to see measurable student improvement in the identified target areas.

### **I&RS Process**

- 1. After a staff member or parent concludes that there is a student in need of support with a learning, behavioral or health challenge encountered in the general education setting, the staff member will begin documentation of implemented interventions for the student's identified area of need. In addition, the teacher will contact the parent/guardian to inform them of the student's area of concern.
- 2. The teacher will contact the school's I&RS coordinator to complete the Request for Assistance form. The form will reflect the reasons for the request, observed behaviors and all prior interventions to begin the I&RS process.

3. Once the I&RS coordinator receives the completed Request for Assistance, the coordinator will notify the students' parents/guardians to invite them in for a meeting with the I&RS Team to discuss the areas of concern.
4. At the meeting, the I&RS Team, along with the parents/guardians, will sit together to further discuss the areas of concern and develop a written action plan, including strategies to best assist the student.
5. After an action plan is developed, the teacher will implement the interventions which have been suggested; data will be collected based on the formulated action plan to determine if additional support is still warranted.
6. After a designated period of time, the data and the implemented action plan will be reviewed and assessed for effectiveness. At this time, it may be necessary to modify the action plan to better meet the student's needs if initial action plan is not found to be successful.
7. This process will continue as additional support is needed.

I&RS is not an automatic route for Child Study Team involvement - I&RS is a continual process. This process helps support teachers to increase the achievement of students who are experiencing academic, emotional or behavioral difficulties during their academic day. The continued support of parents/guardians during this process is imperative to achieving student success.

### **Section 504: An Overview**

Section 504 is a federal civil rights law under the Rehabilitation Act of 1973. It provides protection against discrimination for individuals with disabilities. Section 504 guarantees the right to full participation and access to a free appropriate public education (FAPE) as enforced by the Office for Civil Rights (OCR). Section 504 ensures that students with medical or other disabilities have equal access to an education. Qualified students may receive accommodations and modifications planned by persons knowledgeable about the students. Section 504 is designed to provide equal access and fairness in general education to students with disabilities through an accommodation plan. It is **not** a plan designed to enhance a student's performance, or modify the general education curriculum expectations, but rather a way to provide fairness and equal access to education.

### **Who is Eligible under Section 504?**

A student may be considered eligible under Section 504 regulations if he or she:

1. has a physical or mental impairment which substantially limits one or more major life activities,
2. has a record of such an impairment, or
3. is regarded as having such impairment.

“Substantially limits” is defined as unable to perform a major life activity that the average person in the general population can perform or significantly restricted to the condition, manner, or duration under which an individual can perform a particular major life function as compared to the condition, manner, or duration which the average person in the general population can perform that same major life activity. Major life activities include caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. The disabling condition need only substantially limit one major life activity in order for a student to be eligible.

### **Section 504 – Referral Process**

In compliance with federal law, students must be identified, referred and evaluated by a 504 Committee in order to determine eligibility. Parents, guardians and school staff should refer students to the 504 Coordinator if they know, or suspect, that a student may benefit from accommodations in the general education program.

1. The referral process begins when the school receives notification from an adult who is knowledgeable about the students’ specific situation. Once a request for 504 accommodations is received, the 504 Coordinator will schedule a meeting with the parent/guardian and the committee to further discuss the students’ limitations based on their impairment.
2. At the meeting, information will be collected from both the family as well as the students’ teacher to determine eligibility. Information requested may include reports from physicians, observations, standardized tests etc.
  - a. If the student is found eligible, a 504 plan will be developed to assure accommodations provided to the student are proportionate with their peers.
  - b. Once developed, the 504 Coordinator will schedule a meeting to review the implementation of the 504 Plan with all relevant parties. If in agreeance, all members will be asked to sign the 504 Plan indicating their agreement.
  - c. It is then 504 Coordinator’s responsibility to disseminate the information to teachers with educational responsibility to the student and to monitor the 504 Plan.
  - d. The students’ 504 Plan will be reviewed on an annual basis to determine continued eligibility and documentation.
3. If the student is found ineligible, the 504 Team will discuss alternative interventions

## VIRTUAL LEARNING CODE OF CONDUCT

Due to the COVID-19 pandemic, our Code of Conduct is subject to change at the discretion of the building administration. Any open defiance of safety protocols, inappropriate behavior, and/or other distractions that can disrupt the learning process will result in consequences that may not be listed in the current code of conduct.

## **POSITIVE CITIZENSHIP REWARDS**

Students will be given the opportunity to earn rewards for good conduct and on-time attendance. A point system is aligned to conduct violation (see below).

OFFICE DETENTION	1 POINT	PER OCCURRENCE
SATURDAY SCHOOL	1 POINTS	PER OCCURRENCE
ACADEMIC COUNSELING PROGRAM	2 POINTS	PER OCCURRENCE
IN SCHOOL SUSPENSION	2 POINTS	PER OCCURRENCE
OUT OF SCHOOL SUSPENSION	3 POINTS	PER OCCURRENCE

Permission to attend school dances and other special events, designated as behavior rewards, will be limited to students who have exhibited good citizenship and conduct. The target point for admittance to dances and special events will be calculated at **5 per month**, and will be communicated to students prior to each event. For all End of the Year activities, students with a total of **25 points** will not be permitted to participate. (Please Note: Administration has the right to exclude any student, regardless of points earned, to participate in any activity if their overall behavior does not meet the school's standards.)

The administrators, teachers and staff believe in our students and their right to a safe and positive school environment. This initiative is intended to promote and increase commitment to good citizenship and positive behavior.

## **ACADEMIC STANDARDS POLICY**

### **STATEMENT**

Athletics and athletic programs are an integral part of our society and its philosophies. The strong-mind, strong-body concept has been a guiding principle within our community for generations. In order to motivate athletes toward greater academic achievement and sportsmanship and to continue to instill within our community a sense of physical pride and academic excellence, the Linden Board of Education has set the following procedural guide:

### **ACADEMIC STANDARDS POLICY TO COVER PARTICIPATION IN ALL EXTRACURRICULAR ACTIVITIES**

“Extracurricular activities” shall be those activities that are sponsored or approved by the Board of Education but are not offered for credit toward graduation. Such activities shall generally be conducted outside the regular school day, available to pupils who voluntarily elect to participate, marked by pupil participation in the processes of initiation, planning, organizing and execution and shall ordinarily include band, clubs, dramatic or musical presentations, and intramural and interscholastic sports.

**The Linden Board of Education believes close monitoring of student academic progress is necessary to ensure that participation in extracurricular activities does not adversely impact academic performance. To that end, the Linden Board of Education establishes an Academic Standards Policy to cover participation in all extracurricular activities. This policy applies to all students in grades 6 through 12 with the principles reinforced in elementary school.**

**As used in this policy, the following definitions apply:**

**Probation:** A two-week period in which the student's classroom achievements will be carefully monitored. The student will enjoy only the privilege of participating in practice sessions but will be denied the opportunity to participate in contests or performances. Tutoring may be offered to the student, if available. If tutoring is offered the student must attend, or they will become ineligible.

**Ineligible:** A status given to a student who has failing grades in three or more subjects at one of the established academic checkpoints. Tutoring will be provided for the student, if offered, but he/she cannot actively participate in practices, contests and performances for the remainder of the season.

**Failing Grade:** The cumulative numerical average of a grade that is lower than 60 commencing from the opening of the school year.

**Passing Grade:** The cumulative numerical average of 60 or higher commencing from the opening of the school year.

**Tutoring:** Assistance given by a teacher before or after school.

## **ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES**

To be eligible for extracurricular activities in grades 6 through 8:

**First and Second Marking Period:** A student must not have been retained from the previous year. This includes incoming ninth-graders at the high school.

**Third and Fourth Marking Period:** A student must be passing the equivalent of 25 credits at the end of the marking period. English and Mathematics must be included in these credits.

### **Maintenance of Eligibility**

The following indicators will be used each season to determine the eligibility for extracurricular activities:

**Fall:** 25% of graduation requirement credits successfully completed from the previous year.

Marking Period 1 Interim Report

**Winter:** Marking Period 1 Report Card  
Marking Period 2 Interim Report  
Marking Period 2 Report Card

**Spring:** 12½% of graduation requirement credits successfully completed in the 1<sup>st</sup> semester  
Marking Period 3 Interim Report  
Marking Period 3 Report Card  
Marking Period 4 Interim Report

Procedures regarding specific marking period grades and interim reports will be set by the principal or designee. All reports will be checked and appropriate action initiated, when necessary, by the principal or designee.

At the interim and marking period checkpoints, if a student has a failing grade as evidence by a failing cumulative average in that subject, the following will apply:

1. One or two subjects, probation
2. Three or more subjects, ineligibility

If at any point in the period of probation a student has lifted all his grades above failing, then he/she will be returned to good academic standing by the building principal.

At the end of the two-week probationary period, a student will have their failing grades reevaluated. If the student is still failing any of the subjects for which he/she was placed in probationary status, they will remain on academic probation until academic progress is achieved, or they become ineligible. Reevaluation by the building principal will continue, as necessary.

To be eligible for extracurricular activities, any student subject to the policy failing one or more courses may be offered tutoring. Failure to accept such tutoring, if offered, shall result in immediate ineligibility.

Any student not marked present for an official school day may not participate, actively or passively, in any extracurricular program on the day of the absence. If a student is absent on a Friday, they may not participate in a Friday after-school activity but can participate in a Saturday or Sunday activity.

Any student who has been suspended from school (OSS) may not participate, actively or passively, in any extracurricular program until the suspension obligation has been met.

An athlete leaving one sport to participate in another sport during the same season must present a written note from his parents or guardian and obtain permission from both coaches involved and the principal. The athlete may not return to the original sport that year.

Middle school athletes must not be 15 years of age before the start of the season.

A copy of this policy should be attached to the permission slip distributed to each prospective athlete.

Nothing in an IEP for classified students will exempt students from this policy; however, proper modifications and adaptations will be used. Any recommendations for exemptions to this policy on behalf of a classified student must be made jointly by the combined recommendations of the Director of Pupil Personnel Services and the building principal to the Superintendent of Schools.

## **SPORTS OFFERINGS**

The following sports and sports-related activities are offered at the middle school:

Baseball	Soccer (boys & girls)
Football	Softball
Cheerleading	Wrestling
Basketball (boys & girls)	

## **ACADEMIC/ATHLETIC AWARDS**

The Scholar Athlete of the Year Award is given each year to an eighth-grade girl and boy who exemplifies outstanding athletic ability, sportsmanship and character, involvement in extracurricular activity as well as high academic achievement.

The recipients of these awards are chosen by the teachers and coaches, as well as the guidance counselors, and administration.

## **NATIONAL JUNIOR HONOR SOCIETY**

### **CRITERIA**

1. **Scholarship:** Scholarship is a distinguishing feature or trait of an individual that is indicated by academic achievement. Members will be selected at the end of their seventh-grade year. All candidates must meet the academic average requirement determined by the faculty committee.
2. **Service:** Service is demonstrated by participation in clubs or activities that entail substantial involvement outside the classroom.

The rules and regulations of the National Junior Honor Society shall be followed. The National Junior Honor Society is an organization sponsored by the National Association of Secondary School Principals.

See bylaws of the Linden Chapter of the National Junior Honor Society.

# LINDEN PUBLIC SCHOOLS Linden, NJ Technology Department Student Acceptable Use Policy

However, the school reserves the right to randomly search students' personal belongings, laptops and school-issued accounts in accordance with policies stated in the Student/Parent Handbook.
